## **MAY 25TH VISITING PRIEST**

The Reverend Edward Day is a priest in the Church of England. Currently, he is serving as the assistant curate at Wells Cathedral – one of the smallest cities in England. Edward was born in Bristol, in the southwest of England, and studied politics at university. While working in local government, on heritage regeneration projects, Edward continued studying for his masters in canon law. In 2019, Reverend Day was accepted to train for ordained ministry and studied at Ripon College, Cuddesdon. During his time at Cuddesdon, he read theology at the University of Oxford and did a master's in church history. Alongside his ministry, Edward is also studying for a doctorate on church-state relations.

Edward and his partner, Natalie, who is from Texas and sings in the Choir at Wells Cathedral, are visiting Montana for a wedding. Edward has expressed his excitement at visiting St. Peter's and Montana. This is his first time visiting the United States and we are grateful to have him visit our Cathedral.

Please attend the reception for Edward and Natalie, directly after the service, in the Undercroft. Our gratitude and thanks go out to Darien Smith, Jackie Brehe, Marsha Baumeister, and Tammy Reynolds for making this reception come together.

**Family Promise** - Family Promise of Helena is dedicated to helping families find education, support, and to build a road to wellness and sustainable independence by utilizing the support of the community. We ask you to pray for FP families past, present and future as they face challenges that are unfathomable to many of us, and for the many FP volunteers, staff and Board who support this ministry.

## Our Families

Family 1 – Mom and 8 year old daughter. Mom has started a new class for her criminal justice degree and continues work to prepare for their future. Mom has been experiencing some health challenges with small seizures. The daughter has some sensory processing issues and they find that traditional children's food are easiest for her to eat.

Family 2 – Mom (47) and two daughters age 17 & 18. Mom is interviewing for a different job. The girls continue to work hard at school. The 17 year old will be graduating in June, a year early. With graduation and summer approaching, she is applying for part time work. The 18 year old is going to appointments for her hearing. Transportation is being provided by the FP driver, Dennis.
