#### A SENIOR RECITAL

St. Peter's member Andrew Feurer, son of Kurt Fuehrer and Susan Anderson, is preparing his Senior Recital for graduation from Whitworth University this spring with a B. A. in music. Andrew will be offering St. Peter's

and the Helena community a preview performance on Wednesday, March 27 at 6:30 pm in the Cathedral Nave. A light reception will follow in the Undercroft. The recital will be repeated at Touchmark on Saturday, March 30 at 1:00 pm.

#### REMEMBER ...

The St. Peter's Cathedral (SPC) office is open weekly from 9 AM to 3:00 PM Monday through Thursday, and closed on Friday.

#### A Prayer to guide us in our search for the next Dean and Rector of St. Peter's Cathedral

*Almighty God, look graciously on the people of St. Peter's Cathedral. Be with us and lead us as we seek the next Dean and Rector for our parish.*

*We pray for the Search Committee of this congregation. Enlighten them with your grace. We ask for discernment, wisdom, and guidance for those who shall choose our new spiritual leader.*

*We Pray for whom you will guide to our parish, that they hear your calling and join our congregation swiftly, with joy and thanksgiving in their hearts.*

*We pray for the life of our parish, that we may joyfully continue to be strengthened in our mission to draw near to God and make us disciples living as faithful followers of Christ*

*Give us courage to respond and act as you lead us.*

*We pray this through Jesus Christ our Lord.*

We have had a great year so far, other than closing for some bad weather. Please bring in one bag or one box at a time. Social Concerns now has a consignment number with us. It is S-2. If you bring things in for donation, please consider putting it in their name. If you forget the number just ask to have it put on Social Concerns. This money is used for outreach in the community.

Thank you for your support of the Bargain Basement. We could always use more volunteers, please call Laura at 406-431-1253, if interested

## Spotlight on...

**Nick Jaynes**

Last week's mystery member is **Nick Jaynes**, whom you may know "as the guy with all the kids" in the front pews at 10:15. He's also a new Chapter member, a calling he takes seriously: "It's a spiritual thing." Especially at this juncture, "We're called upon to make very important decisions ... and you don't take that lightly."

Nick strives to keep "the first things first," and is also willing to let himself be guided by loving souls around him. He cites his parents—Mari and David—as major influences in his life, as well as being his current pewmates on Sundays. Nick was reared in Billings (a Skyview HS grad) and confirmed at St. Steven's where George Day was a member, and also a counselor at Skyview—he was another significant influence in Nick's life. As a

child, "Sunday School was really big for me," and he's delighted that St. Peter's current program appears to be "a carbon copy" of his own formation—which is just what he hopes for his and Keri's three children.

In 2007, he met Keri in Butte, where he worked as an engineer after graduation from Montana Tech. Nick needed some help with a project, and his supervisor suggested Keri, a chemical engineer at another firm. While there were initially "no sparks," according to Nick, a friendly relationship evolved. Then, the day his girlfriend broke up with him, Keri invited him to a Christmas Party—he said yes. They were married at Cliff Lake in 2011.

They lived on the Jefferson River in Silver Star and worked in Butte—but the travel got old and he began to look for other opportunities. "I wanted something big," he said, "maybe in Alaska, California, or Colorado." A position opened up with the state in Helena. He wasn't particularly interested, but "Keri's heart said that's where I needed to be." He took the interview—and when he discovered he'd be working for a favorite former employer from Billings, he said yes. He's in his tenth year as a Civil Geotechnical Engineer for the Dept. of Transportation.

His brother and sister-in-law (they round out the population of those front pews on Sunday—except when they're in the choir!) lived here, which eased the transition. He and Keri went "church shopping," and, naturally, with his background, St. Peter's was the first church they tried. The Rev. Heidi Kinner was the Dean. "She was so young and excited—just awesome"—and they didn't look any farther.

You can thank Nick, his dad, and George Day for building the storage shed near the YWCA. You'll also see him helping out on Flipper Sunday, and behind the scenes in the capital campaign. Otherwise, he keeps involved in his kids' activities, which include outdoor pursuits all seasons of the year—a real "Montana family." He'd welcome more outdoor activities at St. Peter's, recalling church camping trips from his youth, which he helps credit with community-building at St. Steven's.

Nick said he has a "missionary spirit," and is driven by a need for action. Building community within and doing outreach beyond the four walls are where he'd like to see St. Peter's energy going forward—and hopes to help inspire that in his tenure on the Chapter. And whatever else ... count on seeing him and the whole gaggle of Jaynes in those front pews for the foreseeable future! —*Robin Biffle*

**PALM SUNDAY** The Sunday before Easter at which Jesus' triumphal entry into Jerusalem and Jesus' Passion on the cross are recalled. It is also known as the Sunday of the Passion. Palm Sunday is the first day of Holy Week. Red is the liturgical color for the day. The observance of Palm Sunday in Jerusalem was witnessed by the pilgrim Egeria in about 381-384. During this observance there was a procession of people down the Mount of Olives into Jerusalem. The people waved branches of palms or olive trees as they walked. They sang psalms, including Ps 118, and shouted the antiphon, "Blessed is he who comes in the name of the Lord!" The Palm Sunday observance was generally accepted throughout the church by the twelfth century. However, the day was identified in the 1549 BCP as simply "The Sunday next before Easter." The blessing of branches and the procession were not included. The 1928 BCP added the phrase "commonly called Palm Sunday" to the title of the day. The 1979 BCP presents the full title for the day, "The Sunday of the Passion: Palm

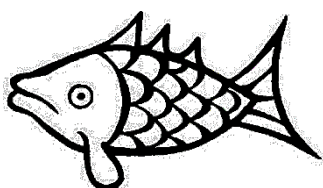

### **COOK, LEARN, EAT:**

#### *The Food and Feasts of Jesus*

April 13 (Saturday), 10:00AM to 12:30PM, In the Undercroft. Many foods grown or raised today in Montana have roots in First Century provinces of Galilee and Judea. Together we will prepare and share a simple lunch including bread, soup/stew, cheeses, vegetables, and fruit. And there will be a bit of history, a bit of botany,

stories and conversation, and table fellowship. You will take away new ideas about the simple nutritious foods prepared and eaten in Jesus' time and how they can be recreated as healthy and economical modern-day meals.

We have just 12 seats, please sign up in the back of the Sanctuary on your way out after Sunday's Second Service, email me at [Gail@goodfoodworld.com](mailto:Gail@goodfoodworld.com), or call/text to 425-894-8524.
