CAPITAL CAMPAIGN COMMITTEE:

The Next 100 Years: Preserving the Past, planning for the future.

Fitzgerald construction will be finishing up the ramps and countertop project early next week. We hope to have the new countertop on the cabinets and the finishing touches of the ramp project completed before the Lenten lunches begin on March 13, 2025.

A big thank you to all of you who made this possible!

We are working with the architects to come up with a plan to identify priorities within the church. The rest of the roof needs is being assessed as well as needed insulation. We'd like the building to be ready for the next 100 years!
