Coming soon...

A new roof over our heads!

Our Senior Warden, George Day, has announced that construction on the new roof will begin during the week of May 16. Scaffolding should be going up soon and the workers arriving.

The YWCA will allow the contractor to store materials and equipment in their driveway, and we will give their staff four spots in our parking lot. More equipment and materials will be stored along the west side of Wilson hall.

During construction we will have fewer parking spots in our parking lot.

Many thanks to all involved in making this dream a reality.

**St. Peter's
Episcopal Cathedral
welcomes you!**

*Please take a moment to sign the guest book or

or need information**

please contact the St. Peter's Cathedral office

May the sunlight and the rain be reminders that You are at work renewing the earth. As a God of renewal, You are ever at work in our lives, too. Open our eyes and lives to the needed changes in our lives this Spring. Awaken us to new life and perspective, for we pray in Jesus' name.
